

From time to time, Brooksedge Day Care Center staff will take pictures and/or videos of students for various projects and postings. The photographs and videos are used for documentation of programs, staff and daycare newsletters, other publications and some external communications, including the daycare web page. Your child's name WILL NOT appear with any photograph or work displayed on a public forum. Names may be attached to a child's photograph for the purposes of a project that is being sent home (i.e. Mother's Day, Father's Day, other holidays)

If you have no problem with an occasional photograph, please indicate your consent below:

I, _____, as the parent/legal guardian for _____ (child) consent to the occasional use of my child's photograph/image for various uses at Brooksedge Day Care Center. I understand that my child's name will not be displayed on any public forum, including newsletters and/or the website.

If you wish that your child NOT be photographed for any reason, please indicate that below:

I, _____, as the parent/legal guardian for _____ (child), do NOT want Brooksedge Day Care Center to use my child's picture in any public display, including projects within the daycare.
